Virtual Coffee Chat

Driving Systems Change Forward

August 31, 2020

Land Acknowledgement

We would like to acknowledge that this virtual coffee is presented and recorded on the traditional land of the Ohlone, the Nacotchtank (Anacostan), the Piscataway, the Skaruhreh/Tuscarora, the Coast Salish, the Suquamish, and the Duwamish people past and present.

We honor with gratitude the land itself and the Ohlone, the Nacotchtank (Anacostan), the Piscataway, the Skaruhreh/Tuscarora, the Coast Salish, the Suquamish, and the Duwamish tribes.

Thank you.

Multisite, cross-sector initiatives & systems change

URBAN INSTITUTE · ELEVATE · THE · DEBATE

What are Multisite Cross-sector Initiatives?

- new, connected
- shared goals
- multiple sites
- mix of partners

Initiatives are achieving some systems change but not always comprehensive or intentional

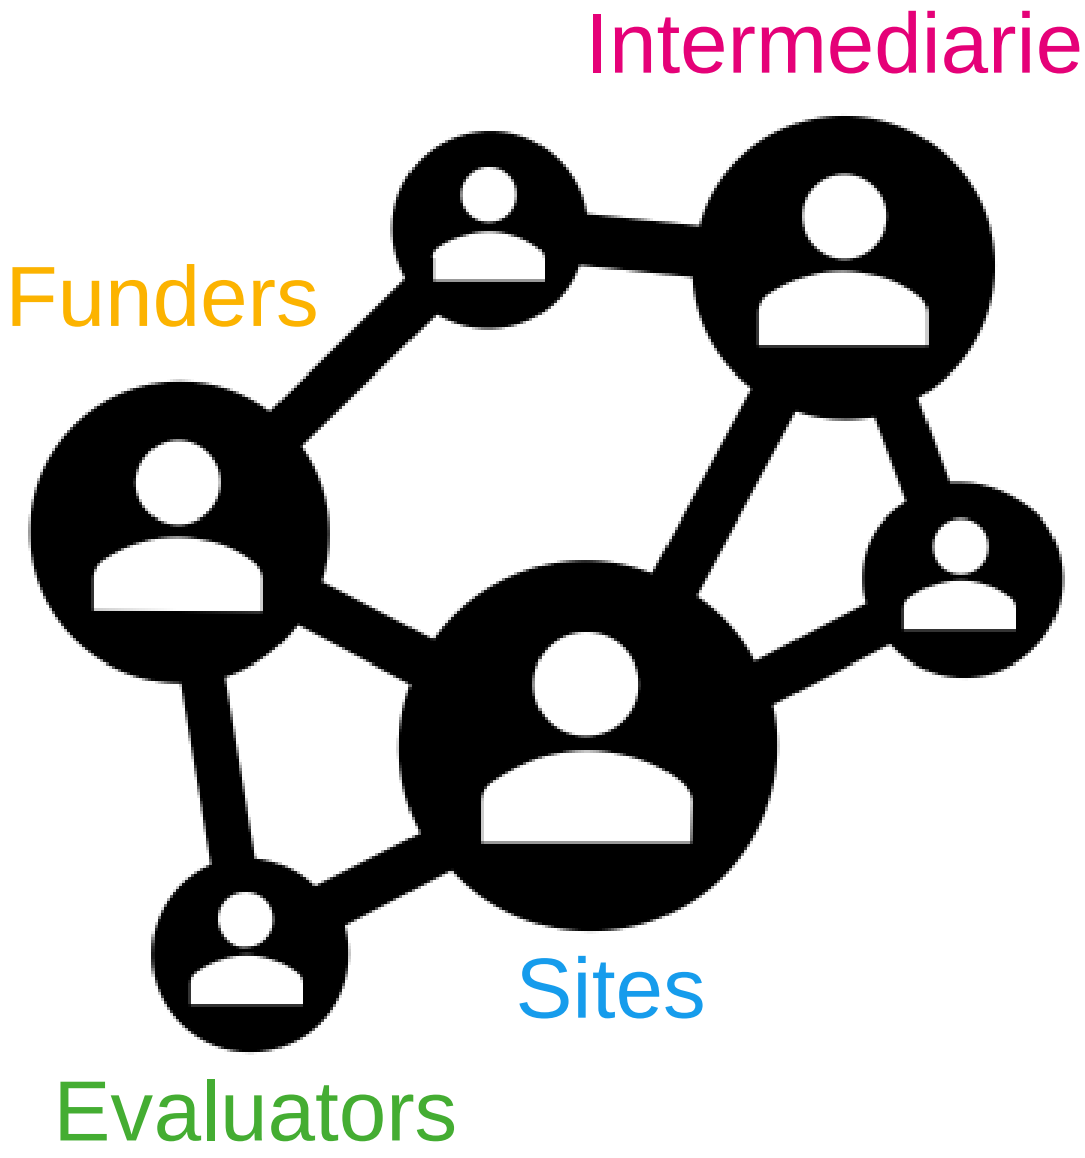
Advancing racial equity requires recognizing & aligning journeys

Shifting power to sites must be deliberate across stakeholders



Communities of Opportunity is a network of residents, communities, decision makers, and funders who believe every community can be a healthy, thriving community—and that equity and racial justice are both necessary and achievable.

We are creating greater health, social, economic, and racial equity in King County so that all people thrive and prosper, regardless of race or place.

Note: To identify geographic areas of need, King County census tracks were rank-ordered from highest to lowest percent of adults by the indicators noted. The tracts were then divided into 10 groups. Dark red areas show tracts with the highest rates; dark blues show tracks with the lowest rates (except the Life Expectancy map is reversed).

RESULTS STATEMENT

Create greater health, social, economic and racial equity in King County so that all people thrive and prosper, regardless of race or place.

GUIDING PRINCIPLES

- Consistently demonstrate the values of equity, respect and partnership.
- Ensure low-income communities and communities of color affected by inequities develop and own the solutions.
- Advocate for and change institutional policies and processes to support equity goals.
- Encourage investments (both funding and in-kind resources) in long-term community capacity building and in systems, policy and practice changes that lead to greater racial and economic equity throughout King County.
- Catalyze alignment of funding streams and partner across issues and sectors to seek preventive strategies that address root causes of today's inequities.
- Be transparent and show how data and community expertise inform initiative strategies.
- Continuously learn, improve and share work publicly.
- Focus on geographic communities with the greatest needs, while simultaneously sharing lessons learned and building relationships across King County – *We are one King County.*

VALUES

We commit to guide Communities of Opportunity using these values:

Equity: work intentionally to eliminate racial, ethnic, socio-economic and geographic disparities in health and well-being

Process Equity: an inclusive, fair and open process

Community Engagement: authentic community engagement that involves listening to and understanding the unique histories of communities

Driven by quantitative and qualitative data: Data will track and report progress, as well as support given for promising and evidence-based practices

Innovation: Recognize that change involves risk and value an adaptive approach that views failure as an important part of the learning process

Champions for Change 2020

***Virtual Workshop* | September 15-17, 2020**

Come join the Collective Impact Forum on Sept. 15-17, 2020 for Champions for Change 2020, a three-day online workshop.

This workshop—designed specifically for those in the **beginning/early stages of their collective impact work**—will dive into the different roles that the backbone team can take within their initiative, including how to best support communities and move forward during these current times of crisis and change.

Plus: With Champions going virtual this year, we're recording all the sessions, and attendees will have access to available recordings after the event.
